

SunRise LED Inc.TM

Let SunRise *Light Up* Your Business

LIVE VIDEO CURTAIN

- **Light Weight**
- **Quick Assembly**
- **Scalable Design**
- **Perfect for rental**

Big, bold and brilliant, there is no way your advertisements and communications can be ignored when presented on a SunRise Outdoor Live Video display.

Present your outdoor advertising with maximum impact. Stream live video, photos, communications in up to 4 Billion colors.

Programming is accomplished quickly and easily using LC Net, our innovative and powerful software.

LC Net software has network capabilities allowing connection to multiple displays running the same message or different messages simultaneously.
